Notice Regarding Compliance with Continued Listing Criteria for the Prime Market

On December 13, 2021, Future Innovation Group, Inc. (hereinafter, the "Company") submitted its "Plan for Compliance with Continued Listing Criteria" for the Prime Market. The Company subsequently disclosed its "Progress with the Plan for Compliance with Continued Listing Criteria (Entering Improvement Period) and Updates (Revisions) to the Plan" on March 18, 2026.

The Company hereby announces its confirmation that it complies with the Continued Listing Criteria for the Prime Market as of June 30, 2026, as the Company recently received a notice from the Tokyo Stock Exchange titled "Status of Compliance with Continued Listing Criteria (Distribution Criteria)." The details are as described below.

1. The Company's Compliance Status with Continued Listing Criteria

   The Company's status of compliance with the Continued Listing Criteria for the Prime Market, including its trends, is as shown in the table below.

   As of December 31, 2025, the Company's tradable share market capitalization did not comply with the criteria. However, as a result of initiatives based on the Plan for Compliance with Continued Listing Criteria, the Company has confirmed that its tradable share market capitalization meets the criteria as of June 30, 2026, and the Company now fully complies with the Continued Listing Criteria for the Prime Market.

		Number of shareholders	Number of tradable shares	Tradable share market capitalization	Tradable share ratio

*The compliance status of the Company is determined and calculated based on the distribution of stocks, etc. of the Company and other factors known by the Tokyo Stock Exchange as of the record date.

2. Status and Evaluation of Initiatives to Comply with the Continued Listing Criteria

Based on the new Medium-Term Management Plan (from the fiscal year ending December 31, 2026 to the fiscal year ending December 31, 2028) announced on February 13, 2026, and the Plan for Compliance with Continued Listing Criteria announced on March 18, 2026, the Company has been implementing various measures, including the promotion of business growth and the enhancement of communication to improve market valuations.

As a result, the Company now complies with all items of the Continued Listing Criteria, including "tradable share market capitalization," which had previously been non-compliant.

Going forward, the Company will steadily promote initiatives toward achieving the Medium-Term Management Plan, aiming for sustainable growth and enhanced corporate value.
